

Our measures for
your health & safety

Access limitation and distance control

In the lobbies we pay attention to a limited maximum number of people present. Guests as well as employees are urgently requested to keep a minimum distance of 2 metres.

Duty to wear masks

All of our staff wear mouth-nose masks and we ask our guests to wear masks as well. Disposable masks can be provided free of charge.

Hand hygiene

Disinfectant dispensers are available at all entrance areas.

Comprehensive disinfection via ozone

For all hotel areas, the already high cleaning standards were revised and supplemented by additional disinfection measures and strict rules of conduct. Among other things, we now use ozone devices with hospital-proven disinfectant to disinfect surfaces in the rooms, restaurant and reception area.

Hotel staff

Hotel personnel is tested for Covid 19 once a week (4 times a month). Every morning, we conduct temperature checks for all staff.

Contactless payment

Use contactless payment options wherever possible.

All these measures are applied to ensure a pleasant and safe stay.
